

# Gospel Conversation Initiative

1. *Select* - prayerfully select someone to share the gospel with over the next month (either a special conversation or part of your regular interaction)
2. *Share* - have a gospel conversation with them however you are most comfortable (key topics: man's problem (sin), God's Solution (Jesus), Our response (Confession by Faith))
3. *Celebrate* - tell your church and/or small group about your conversation

Remember, a "win" is sharing, God does the saving.
