MINISTRY OBJECTIVE: PASTOR

My ministry objective is for God alone to be glorified. Because of this objective, I long to preach the gospel, apply God's Word, and love His people. Christ has accomplished all and justified me; therefore, I live for Him out of gratitude for His finished work in satisfying God's wrath and sealing my salvation. I must do whatever is allowed by God to reach others with the gospel,

PERSONAL STATEMENT:

Having been reared by Christian parents, active in their church and demonstrative in their faith, I learned of Jesus Christ as my Lord and Savior at an early age. It was at the age of 18 that I professed my faith in Christ, and asked him to come into my heart, realizing shortly there after God destined me to preach the Gospel. My desire is to help others experience God's love thru Salvation, nurture them in their Spiritual growth, and development, enabling them to discover their Spiritual gifts, equipping them for an effective ministry.

SPIRTUAL PILGRIMMAGE:

I have preached many times at my home church (Eden Baptist Church, Hawthorne, Florida) in the absence of my pastor or at the leading of the Holy Spirit. I have pastored churches as well as filled in at churches without pastors, or as guest/Interim speaker/pastor thru-out Florida.
As a Pastor, I believe my responsibilities, to God and the church is to feed, nurture, and show love to my church family, while continually seeking lost souls, and increasing membership thru exposure of the church thru community involvement such as opening prayer at town meetings, ball games etc, wherever I have an opportunity. Pastor visitation is a very important part in the growth of a church, including door to door, shut-ins, hospitals, and nursing homes.
But the most important thing is to Glorify God and Let God have his way in our church, and in our lives. Then we will see Revival. May God Bless each of you!
