Personal Ministry Statement:

I believe that I have been called by God into the gospel ministry. I believe that my ministry should revolve around first, loving God so that I can then love those around me. I do believe in fighting for the things that I stand for. I am a very conservative Christian who is devoted to my God, family, and country. I believe that the Bible is the true and inerrant Word of God. I believe that there is one God in three persons…Father, Son, and Holy Ghost. My purpose as a minister is much the same as my purpose as a Christian in general, and that is to live my life as a witness for God in everything that I do. This includes my actions as well as my words. I believe that every human being has an equal chance to accept the one true Almighty God as their Lord and Savior, and my purpose is to help guide them to Him.
