

A 7.2-magnitude earthquake struck Haiti on August 14. Pray for the people impacted by this tragedy as Send Relief responds to critical needs.

Please Pray

- **Families:** Those families grieving the loss of loved ones (many without the hope of Jesus in them) and for those who are still searching and holding out hope their loved one is still alive.
- **Churches:** The churches and ministries, from within Haiti and international, to give powerful witness of Christian compassion and to seize opportunities to share the eternal hope of Jesus through Gospel conversations.
- **Giving:** Generous contributions to arrive in a timely fashion for rebuilding
- **Sharing:** Limited greed and misuse of funds and relief materials.
- **Government:** Local and National leaders would work to seek the welfare of the people even as it heals from the recent assassination of their President.
