

A Time-Driven Prayer Guide for the Sunday Worship Service

(Based on a 75-minute service)

Service begins:

5 minutes – Take this time to settle yourself in to prayer. Read a Psalm or two (ex. Psalm 84, 100). Use the Hymnal to sing a song. Write down any distractions that might be on your mind (things to do, who to speak with, etc.)

5 minutes – Spend time preparing your own heart to pray through confession of sin. Suggested scriptures: 1 John 1:9; Psalm 51, 66, 78, 86).

10 minutes – Pray for the church members and guests. Use a member roster for a list of names. Pray for their spiritual growth, marriages, financial struggle, addictions, holiness and other items that come to mind.

10 minutes – Pray for the ministries of your church including the time of offering (remember, our giving reveals our heart). Use this week's worship guide as well as a list of ministry leaders.

15 minutes – Pray for your Pastor as he teaches.

15 minutes – Pray for any known prayer requests.

10 minutes – Pray for the move of God as people respond to the message. Pray for salvations, rededications, call to ministry and missions, membership, etc.

5 minutes – Use the back of this page to write down anything you felt God placing upon your heart.
