Theology

I believe the Bible is the inspired Word of God. It is perfect and complete. I agree with and my convictions aline with the BFAM. I am conservative and will not support any type of "progressive" Christianity. I believe God exists in three persons, The Father, the Son, and Holy Spirit. I preach and teach what the Bible says. I do not twist His word to make us feel good, a sin is still a sin, and the Bible is here to teach us. There is nothing we can do to earn our salivation; Jesus did all the work on the cross for us. There is only One way to eternal life, and it is by Jesus Christ. I preach expositional and topical sermons.
